Dear Sir

LETTER OF AUTHORITY FOR THE PUBLICATION OF THE GUERNSEY CRIME PREVENTION PANEL “CRIME PREVENTION AND COMMUNITY SAFETY HANDBOOK”

In response for the need for greater public awareness and to provide information to the general public with regard to Crime Prevention and reduction of actual crime or the fear of crime, the Guernsey Crime Prevention Panel have asked the Crime Reduction Agency to produce an appropriate handbook for distribution to the general public and business organisations in Guernsey.

The publication will contain information on a variety of crime related topics, such as burglary, house and vehicle security, street safety, security of retail and commercial premises, drugs, fire prevention, safety and security in building design and many other community safety related subjects.

By advertising in this publication your company will make a valuable contribution towards increased public awareness of policing, crime prevention and security. It must be clearly understood, however, that although we fully endorse this publication, you will be purchasing your space from the publishers and not from the Guernsey Crime Prevention Panel.

Information regarding the advertising opportunities available may be obtained further from Ken Turner at the **Crime Reduction Agency** at the address below, or by telephoning **01225 290567**.
