

OUR HOME IN CHIPPENHAM, Wiltshire was opened in 1974, and is part of Pilgrim Homes, a charity founded in 1807 to care for older Christians. Their spiritual support is as important to us as their physical and emotional wellbeing.

We offer security and loving care in a distinctly Christian home with a strong family atmosphere.

Supporters from local churches visit regularly, to befriend residents and ensure no one is lonely. We have 20 residential care places, 6 single flats and 1 double.
