States of Jersey Police & Business Crime Reduction Booklet

Dear Sir/Madam,

Following the success of our Crime Reduction campaigns, the States of Jersey Police has asked the Crime Reduction Agency to produce a Business Crime Reduction Booklet, with the emphasis on Commercial Security, for publication in March 2013.

It will contain information on a variety of preventative measures such as Building Security, Alarm Communication, Closed Circuit Television (CCTV), Staff Training and Asset Protection. Excitingly, this will be in the new A4 format specifically intended for use by the Business community as a point of reference in security planning. Additionally, the document will be available in PDF format on the States of Jersey Police website which can be found at www.jersey.police.uk

The States of Jersey Police cannot work alone. We need to work together if we are to reduce crime in our island. By advertising in this publication, you will be showing your support for this initiative and will be making a valuable contribution towards increased awareness of Crime Prevention and security. It must be clearly understood, however, that you are purchasing your space from the publishers, and not from the States of Jersey Police.

Information regarding the sponsorship and advertising support available, may be obtained directly from the official publishers, the Crime Reduction Agency, 48 King Street, Melksham, Wiltshire, SN12 6HG, or telephone 01225 290567, or email to:- enquiries@crimereductionagency.org.uk

If further information is required about the content of the handbook, or if you require confirmation of this letter of authority, please contact the Crime Reduction Officer, PC Jeremy House, at Police Headquarters, Telephone 01534 612345 or phone the switchboard on 01534 612612.

Signed.....
