IT COULD SAVE YOUR LIFE

www.wiltshire.gov.uk

For a safer home:

- Fit a smoke detector on each level of your home.
- Switch off and unplug unused electrical appliances.
- Don't overload electrical sockets.
- Never leave candles and naked flames unattended.
- Plan your escape route if a fire should break out.
- Plan a second route out of your home.
- Keep your escape routes clear.
- Know where door and window lock keys are kept.
